

DR. RIMJHIM SINHA (MBBS, M.D. Community Medicine)

+91 70805 74534

rimjhim.sinha1995@gmail.com

 Date of Birth: 22-June-1995

Community Medicine postgraduate skilled in public health planning, epidemiology, and health education initiatives.

Experience

Junior Resident | Hind Institute of Medical Sciences (Barabanki, U.P.)

Nov 2022 - Oct 2025

- Taught undergrads the basics of housing standards and family health studies, focusing on how social environments impact patient outcomes.
- Lectured on epidemiology and disease prevention, leading discussions to help students apply public health theory to real-world scenarios.
- Presented clinico-social cases that bridged the gap between a patient's medical diagnosis and their living conditions.
- Led field trips to CHCs, RHTCs, and district hospitals to show students how healthcare systems actually function on the ground.
- Contributed to departmental seminars and presented research at journal clubs, focusing on critical appraisal and current evidence-based trends.
